WEATHER

Bali's wet season can affect conditions from November to February and Event Organisers (EO) and guests are advised to plan accordingly for events.

EVENT SPACE

For large events of between 100-300 guests, it is recommended that the villa pool decks are rented to provide additional space (USD 150 per section or USD 600 for all 4 sections)

Section A is 5.8 metres x 7.5 metres (43.6 m²), and sections B, C & D are 4.9 metres x 6.7 metres (32.8 m² each). All offer a total combined area of 142 m². Each section is USD 150 i.e. USD 600 net for all 4 sections. For events attended by more than 150 guests use of all 4 sections is recommended.

As it can take up to 10 hours to assemble all 4 sections, please be aware that the workers have to work on the installation of the decks while the guest is staying at the villa. Otherwise an additional villa rental cost is required if the decks have to be installed before guest arrival.

However, we strongly suggest that EOs inspect this area prior to finalising arrangements to calculate the number of guests that can be accommodated.

SMART VILLA

Full home automation where one can play favourite songs, or adjust the volume, lighting or air-conditioning straight from smartphones. In addition, the guest can use the 10kw Crown amplifier system with JBL Pro speakers in all areas.

Villa Vedas Catering (VVC) offers a high quality and competitively priced catering and bar service, and there is no charge for use of VVC's catering services. The service is prepared in the villa's well equipped commercial kitchen. POWER AND CABLING

Villa Vedas has 65 KVA of mains power supply and a 80 KVA generator that is included on a complimentary basis as part of the venue hire fee. We would ask guests and their EOs to respect the following guidelines.

- Electric lanterns are permitted to be hung from trees using existing nails only
- Heavy lighting must be attached by metal brace and not by hooks and nails
- All candles should have candle bases to prevent wax spillage

GUEST BATHROOMS

There are three bathrooms available for event guests. One is located at the bar area, another one in the art gallery, and if necessary, the bathroom in Guest Suite 4 adjacent to the bale can be made available. It is the responsibility of the EO to ensure the cleanliness of the bathrooms during events.

OTHER STRUCTURES

Some events require structures to be built at the villa. These structures can cause considerable long term damage, especially to lawns and swimming pools. To minimize the risks of damage the following guidelines should be respected:

- Structures such as marquees, service bars, pool platforms, dance floors and DJ booths need to be included on the Site Plan for approval
- Marquees should be freestanding where possible
- Staging and platforms should have drop sheets put down before painting

ADDITIONAL GUEST ROOMS

In addition to the 5 rooms in the main villa, Villa Vedas can offer 3 additional large double bedrooms, all with ensuite bathrooms, in the Pavilion by the entrance gate. Please inquire for further details.
