

## VILLA VEDAS CLASSIC CATERING MENU

## OUR PHILOSOPHY AND APPROACH

Villa Vedas Catering ("VVC") is committed to creating a tailor made and unforgettable experience for you on your big day. Please take a tour of our menus and share with us your thoughts on the type of food and service you would like, and our friendly and capable team will be pleased to assist you in making your event special.

If you are having your wedding at Villa Vedas, and you have already paid a deposit for your accommodation, VVC will commit to do your catering with just a 10% deposit until two weeks before the event, whereas outside caterers will want a 50% deposit.

VVC offers a well priced suite of menus that are prepared in our well equipped commercial kitchen at Villa Vedas. As a result, we can normally be much more responsive than outside caterers to late changes in menus and numbers because the food is prepared at the villa.

Furthermore, we have no problem with you "mixing and matching" between our menus if you wish, and because our chef and kitchen staff are cooking at home in the usual way, we have no need for the minimum guest requirements that are applied by outside caterers, who require a minimum amount of money to justify a mobilization.

VVC offers both food and beverage packages, the latter being prepared and served in our stylish and well appointed bar. In order to streamline the process, and to ensure the quality of your overall experience, VVC's preference is to cater both the food and beverages.

Furthermore, although our beverage package includes only soft drinks, we allow you to bring your own alcohol free of charge that our staff will chill and pour for your guests. If you would like a list of alcohol suppliers and prices, we would be pleased to assist you.

We offer a selection of five menus, a soft drinks package, a soft drinks package with free flow vodka based cocktails, and some optional additional items to which a suite of classic alcoholic cocktails can be added at no additional charge if you supply the alcohol, as follows:

## **VILLA VEDAS CATERING TERMS AND CONDITIONS**

1. Because Villa Vedas Catering (VVC) is cooking “at home” with its regular chef and kitchen staff, unlike outside caterers it does not require a minimum number of guests to guarantee it enough money to justify a mobilization to a distant villa, and no number of guests is too small for VVC, and VVC will always offer that personal touch as a result.
2. Food and beverage products and pricing are based upon price and availability at the time of writing. However, due to unforeseen circumstances there may be price or availability issues. In such a case, VVC will offer suitable alternatives for your approval.
3. VVC does not serve food provided by the guest or other vendors at an event, other than by prior agreement between the guest and VVC.
4. The final number of guests must be confirmed by the client to VVC no later than 7 days prior to the event.
5. The final selection of a menu and beverages for the event has to be submitted to VVC no later than 7 days prior to the event (but 14 days is better). Changes will only be allowed after that time through negotiation with VVC, which will always accommodate such requests whenever possible.
6. VVC caters and charges based on the number of people on the invoice. VVC does not provide food and beverage for vendors other than by prior agreement.
7. There will be an extra charge for food and beverages served beyond the stipulated time set out in the invoice, which is typically a maximum of 8 hours.
8. Standard tables and tiffany chairs are included in the prices for up to 100 guests, however other types (or colours) of tables and chairs can be arranged at an additional cost. For more than 100 guests VVC will need to hire additional furniture, and an additional cost equivalent to the cost of hire might apply.

## **PAYMENTS**

9. If a client has already paid a deposit for a stay at Villa Vedas, VVC requires a deposit equivalent to just 10% of the estimated invoice to confirm a catering booking.
10. The balance payment must be received by VVC no later than 14 days prior to the event date. If full payment is not received by the due date, VVC has the right to cancel the booking without refunding the deposit.
11. Please remit the full amount shown in the invoice. The guest is responsible for his / her bank transfer fees, and the invoiced amount should be received by VVC.

#### **CANCELLATION POLICY**

16. In the event of a cancellation, VVC has the right to retain the deposit as its service fee for work done to date.
17. In the event of a cancellation less than 14 days prior to the scheduled event, and after the invoice has been settled in full, VVC has the right to retain up to 100% of the invoiced amount, depending on costs it has incurred.

20. VVC will only take responsibility for alcohol received by it if a receipt is given for same to the client by the villa manager or the bar staff. For the avoidance of doubt, VVC accepts no responsibility for alcohol for which no receipt can be produced by the client.
21. VVC's beverage package commences from the time the welcome drink is served, and typically lasts for 8 hours.
22. For the safety of everyone, VVC has the right to refuse to serve alcohol to guests who are considered to be intoxicated. VVC will bring this to the client's attention if it happens. On the day of the event, we will consult with the client or wedding organizer for any cases of intoxicated guests, or large numbers of alcoholic drinks being requested.
23. Shots are not part of the bar package. Clients should discuss this with a VVC representative if they wish to include this in their package.
